IOWA INTRA OFFICE BULLETIN NO. IA360-9-1

SUBJECT: PER – 2008 COMBINED FEDERAL CAMPAIGN (CFC)

**ACTION REQUIRED BY OCTOBER 17, 2008**

PURPOSE. To inform State Office employees of the 2008 Combined Federal Campaign.

EXPIRATION DATE. September 30, 2009

This year's CFC theme is **"EVERYBODY WINS THROUGH CFC."** All State Office employees are invited to attend a CFC presentation on Friday, October 10, 2008, in Room 693 at 10:30 a.m. Ms. Cindy Spann and Mr. TJ Burt from Link Associates will speak on the positive impacts of CFC.

This year's State Office Coordinator for CFC is Jill Clothier. You will receive a CFC pledge card and guidance on how to complete the form on October 10, 2008. If you do not wish to participate, please return the blank pledge card to Jill, by October 17, 2008.

The 2008 CFC booklets will be placed at each State Office secretary's counter for you to review and return. Many of the hundreds of agencies eligible to receive funds are local and have been identified in the 2008 CFC booklet; these agencies are listed on page 7.

I encourage you to take time to consider your participation in this year's CFC. Payroll deduction is a convenient way to contribute to organizations in need of assistance in order for them to continue their mission of helping others. You also have the option of designating your contributions to the agency of your choice.

If you have any questions, please contact Jill Clothier at extension 2231.
